

PRODUCT INFORMATION

The great smoothness of Double A ensures that your printers and copiers run reliably giving you greater confidence in performance.

The cleaner, brighter, whiter and thicker Double A sheet of paper provides an overall superior result.

Double A is also committed to a sustainable future and to exceed Industry Environmental Standards, it is manufactured in state of the art mills using specially farmed plantation trees.

- White A4 80gsm paper
- Extra smooth, high whiteness and brightness for quality finish
- Produced using pulp from farmed trees
- Suitable for use in copiers, printers and fax machines
- Made in Thailand
